

Richard (Rich) Szczepanski
Director, Film and Video Consultant
-Specializing in Niche Music Videos-

PROFILE

Proper preproduction creates a professional working environment on set. Script, song, or theme dictate storyboards and storyboards dictate shooting. Focusing on time, budget, and story as the constant challenge of a project and to remain ahead of schedule and under budget while still maintaining a productive atmosphere is the constant goal. An approachable, engaging presence on set, as well as a constant reliable decision making ability.
